

# NMMSS Staff – Federal, Operations, and Software

Jim Crabtree, NNSA, Office of Nuclear Materials Integration, NA-73

# NMMSS Staff – Federal, Operations, and Software

---

- How we're organized
- Who's at the meeting
- Who you gonna call (or e-mail)?

## Federal Staff

- DOE/NNSA

- Richard Meehan, Acting Director, Office of Nuclear Materials Integration
- Pete Dessaulles, NMMSS Program Manager
- Jim Crabtree, NMMSS Deputy Program Manager

- NRC

- Brian Horn, NMMSS program manager
- Suzanne Ani, NMMSS backup/support
- Santiago Aguilar, NMMSS international programs

# NMMSS Operations - LINK Technologies

- Link operates the NMMSS system
  - Enters, processes, and analyzes NMMSS data on a daily basis.
    - Approximately 1 million transaction records processed annually
    - Over 400 DOE and NRC facilities submit data (Range for large DOE facilities and NRC fuel fabricators and enrichers to small laboratories and industrial facilities with one or two sources.)
  - Prepares data reports and documents in response to inquiries from
    - DOE NNSA Offices - DOE CFO, NNSA CFO, NA-24, EIA
    - Congress, NRC, State, IAEA, and foreign countries
  - Trains DOE, NNSA, and NRC users of the NMMSS system

# LINK NMMSS Operations Staff AT THE MEETING

	RESPONSIBILITIES AND AREA OF EXPERTISE
Ali Tabatabai, Program Manager	Overall management of NMMSS operations task–management of delivery of products and services, staff training and development,
Carl Berger, Deputy Program Manager	On-site manager of daily operations, coordinate of staff functions, foreign obligations reporting, international reports, special reports
Gary Hirsch	IAEA reporting; interface with NMMSS software maintenance and enhancement personnel
John Ballard	Reporting and reconciliation for DOE facilities, financial reporting DOE project numbers, NMMSS user training
Mitch Hembree	Foreign obligations reporting and analysis. Reporting and reconciliation for NRC licensees

# Link NMMSS Operations Staff AT THE MEETING

---

Mary McConnell	Reporting and reconciliation of DOE facilities . IAEA reports. Daily Operations.
Eric Monares	Maintenance of the NMMSS website, preparation of the NMMSS monthly newsletter, support of NMMSS training functions

# LINK NMMSS Operations Staff

## AT HOME, OPERATING THE SYSTEM AND ASSISTING USERS

Len Myers	Special Reports , Financial Reports, Data Analysis
Pat Smith	Reporting and reconciliation for NRC facilities
Karen Antizzo	NMMSS daily operations: receipt of data, processing of data, generation of routine daily reports; procedure development, classification of NMMSS reports, maintaining security logs and access lists , interface with HSO, and IT support. Assisting DOE facilities with NMMSS reporting and reconciliation. Import/Export license information
Elaine Beacom	Technical documentation preparation, assisting DOE facilities with reporting, reconciliation, and updating project numbers

## NMMSS Software Maintenance and Enhancement Staff

Name			RESPONSIBILITIES
Rick Edwards	SRNS	At Meeting	Lead programmer for maintenance and enhancement of the NMMSS production system and support systems. Training and developing other NMMSS programmers . Advising NMMSS Federal staff on integration of NMMSS software changes into NMMSS operations
Bob Carbo	HTSI	At meeting	Manager, HTSI programming staff,
Andy Kerns	HTSI	At meeting	Programing fixes and enhancements to the NMMSS production system. Maintaining electronic log of changes to NMMSS software on the unclassified NMMSS development server. Assisting NMMSS data submitters with installation and use NMMSS supplied software for submitting data.
Chip Gagne	HTSI	In Germant own	Programing fixes and enhancements to the NMMSS production system. Maintaining NMMSS software module used by the CFO. Documenting the NMMSS financial module.

## Inquiries/Requests - DOE facilities and NRC licensees

- NRC
  - NRC Licensing or Regulatory Issues
  - Import/Export Licensees
- DOE/ NNSA, NA-73
  - DOE Regulatory issues
  - Commitment of NMMSS resources
- NMMSS Operations
  - Assistance with data submission
  - Routine reports (may require DOE/NNSA or NRC approval)

## Other Requests

- DOE/NNSA HQ Offices
  - Contact NA-73 Federal NMMSS staff
  
- NRC Offices
  - Ask Brian Horn
  
- Outside Requests
  - Standard Intergovernmental and Public Affairs Processes
